

IN-HOUSE READINESS CHECK FOR PAYLOAD ARRIVAL AT VAFB

KDP-P-1102
Revision: A

Objectives:

- to ascertain readiness for payload arrival
- to amend Support Plans when unable to meet original plans
- to negotiate new arrival dates when the customer's original requirements cannot be met
- to review and approve support contractor corrective action plans when customer requirements have not been met
- to confirm implementation of support contractor implementation plans

Approval: (Original Signed By) _____
Director of Payload Processing
